From the moment you step foot inside this beautiful home you will be captivated by its high ceilings and the huge amount of space it exhibits.

Beautiful near-new floor coverings are complimented by excellent neutral paint throughout and the ultra modern kitchen and bathroom will equally impress.

Downstairs is fabulously designed for an at-home-business or extended family (or both!) - with the perfect teenager's retreat already built-in underneath which offers an extra 2 air-conditioned rooms with built-in cupboards, a large rumpus area, a study, a second toilet and plumbing already there for a second shower.

The beautiful undercover outdoor entertainment area overlooks the private and securely fenced backyard and
