

40 LAMBERT Drive MORANBAH QLD

5  3  4 

A fusion of contemporary architecture and the highest-quality finishes combine together to create a timeless residence which is nothing short of a masterpiece.

THIS HOME is the absolute epitome of luxury living. In 15 years of selling in Moranbah I've seen over 1000 properties and some have sold for over a million dollars... THIS IS the best home I've EVER SEEN in Moranbah. It is a MUST to inspect.

A WHOPPING 440m2 under roof, this stunning home was built by the current owners only ten years ago as their dream home, however circumstances changed and they have moved town. They have included every extra feature one desires - and they certainly spared no expense. This home has been METICULOUSLY maintained and it oozes sophistication and a lifestyle second to none.

Land Size : 766 sqm
